About the League

Founded in 1920, the League of Women Voters is a non-profit, non-partisan grassroots organization whose purpose is to promote political responsibility through informed and active participation in government.

Our name derives from the proud legacy of the women's suffrage movement. Today, more than 90 years after our founding, our members include women and men dedicated to safeguarding our democracy.

About Our League

The League of Women Voters of the Morristown Area recently merged with other towns. We now have members from Morristown, Morris Township, Morris Plains, Randolph, Madison, Chatham Borough and Chatham Township. We meet monthly, sponsor candidate forums, register voters at various town events, conduct consensus meetings, arrange education panels and work with the LWFNJ and LWFUS on all their endeavors.

What We Do

PROTECT

our voters by analyzing problems on election days and recommending solutions to state, county and municipal officials such as improving poll workers training.

ADVOCATE

for the passage of legislation that protects our voting rights, educational opportunities, natural resources and women and family well being, and increases government transparency.

COORDINATE

debates across our communities at municipal and county levels of government and provide trained moderators to ensure nonpartisan discourse and promote fairness.

PROVIDE

a year-round toll-free voter assistance hotline, 1-800-792-VOTE, and a website vote411.org, to answer voting-related questions from the public.

ANALYZE AND INTERPRET

ballot questions in clear nonpartisan terms to help voters make informed decisions on Election Day

INTERVIEW

candidates about crucial policy questions, and widely distribute this vital information to voters.

DISTRIBUTE

the New Jersey Citizens Guide to Government, a reference book that makes it easy for New Jerseyans to learn about their government and contact their elected officials
